| 6. Officially recognised ways of acquiring the certificate | | |
|---|-----------------------------------|-------------------------------------|
| Description of vocational education and training received | Percentage of total programme (%) | Duration (hours/weeks/months/years) |
| School-/training centre-based | 25 | 1 year |
| Workplace-based | 75 | 3 years |
| Accredited prior learning | | |
| Total duration of the education/ training leading to the certificate | | 4 years |
| Entry requirements | | |
| Additional information The first year of the training takes place in school. This comprises a total of 11 periods per week in general studies subjects, 22 periods per week in specialised subjects in the area of study and two periods per week in an elective. This is followed by three years in a company where two years are training and one year is value creation. During the training period in the company the apprentice will also have eight periods a week in general studies subjects so that overall there are 19 periods per week in general studies subjects over the course of the education. In some cases, adult candidates may be exempted from the requirement for the general studies subjects. | | |
