## 3. Profile of skills and competences

The holder of this document has the competence to prepare and carry out the various processes within the knitwear trade in accordance with defined quality specifications. S/he

- is qualified to quality control and optimize the process, initiate necessary measures in case of deviations and assess corrective and preventive measures, as well as to comply with the company's procedures for quality assurance and internal control
- is qualified to assess and inspect raw materials and produced goods
- has knowledge of elementary design, patterns, patternmaking and binding techniques and various knitting technologies, and is qualified to describe properties of the finished product
- is qualified to maintain and adjust machines, optimize the process and use necessary computer equipment and software
- knows the principles for making stitches and knitting bindings and is qualified to analyze the main bindings
- is familiar with the principles of dyeing and post-production treatment of knitwear, cutting, sewing and pressing in the production of knitwear
- is familiar with the company's structure, tasks and development
- has knowledge of relevant goods specifications and adjoining production processes in the value chain
- has knowledge of and is qualified to apply overriding control systems relating to quality, health, safety and the environment in his or her field

The final on-the-job training in a company comprises the modules 1: Inspection and facilitation of knitwear yarn, 2: Process control, 3: Dyeing, post-production treatment, cutting and sewing, 4: Quality assurance and internal control, 5: Business economy studies.

The holder of this document also has skills on the upper secondary school level in Norwegian, English, mathematics, natural science, social studies and physical education. Adult students may in some cases be exempted from the requirement for these common-core general studies subjects.

## 4. Range of occupations accessible to the holder of the certificate <sup>(1)</sup>

Industrial textile knitting operator

<sup>(1)</sup> If applicable

### <sup>(1)</sup> Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
